

Three River Birding Package

This amazing Namibian wetland package is aimed at targeting various bird species found around three core rivers, namely the Kwando, Zambezi, and Kavango Rivers.

Some species that will be targeted during this tour will be the following:

Pel's Fishing Owl

African Finfoot

Rock Pratincole

Western-banded Snake Eagle

Schalow's Turaco

Allen's Gallinule

Nothern Grey-headed Sparrow

White-backed Night Heron

Southern Carmine Bee eaters – September to January

African Rail

African Crake

African Skimmer

Arnot's Chat

Yellow-throated Leaflove

Ruff

Various types of Kingfishers, Bee-eaters and Night Jars

And many more...

This package is based on a few nights all-inclusive fully set-up camping option combined with a few nights of luxury accommodation. Or you can have a choice of lodged accommodation only.
